

REDEEMER REDMOND

Redeemer is passionate about reaching young people with the grace of Jesus Christ. We want teens to understand all that God has done for them in Jesus and not carry around a burden of working hard, trying to measure up to make God pleased with them. God IS already pleased with them because of who they are in Jesus. Knowing that changes everything.

Jesus' transforming grace in a teen's life grows their desire for God's word - to know it, and to make it real in their own lives. His grace matures and gives perspective, strengthening relationships in the family and the church. It gives the confidence to reach out to others in His name and with His love.

Redeemer knows that parents make the biggest impact on their kids. Even in the teen years, the most influential teaching and coaching happens at home. Because of that, we always want to encourage families to see themselves as the primary disciplers of their children. Our youth events and activities will take a low-key approach; we are here to support you.

That support is evident in the commitment that the Redeemer family makes to every teen who comes through our doors.

- Before services on Sundays, there's a class just for youth (Grades 6-12), where teens hear Bible teaching and get guidance and instruction that is practical and relevant to their lives.
- We invite youth to join the life and ministry of our church by participating in Community Groups and serving on ministry teams.
- We sponsor fun monthly activities that are great for inviting friends, like going to a snow park or playing bubble soccer with another youth group.
- We give our teens the chance to serve the community as a group through outreach adventures, as well as an annual missions trip where our youth experience a different culture and grow in their ability to share the love of Christ in word and deed with others.

These are important years, and Redeemer wants to help families equip and motivate our youth to be ministers of the gospel, secure in His love and grace, ready and eager to do His kingdom work
